In the event a meeting needs to be cancelled due to lack of a quorum an email message will be sent out to all members at least 2 days prior to the meeting. - b. Another Council member seconds the motion, by stating, “Second.”
 - c. The chairperson restates the motion and names the persons making the motion and the second and then asks, “Is there any discussion?” The motion is then discussed.

 7. When the Council determines that a motion requires more information in order to move forward, the Council may refer the motion to an ad hoc committee or task force for further work. The ad hoc committee or task force will bring back a report and a recommendation related to the motion at the next meeting.

J. Lodging Reservations

1. Whenever possible, the Council secretary will make arrangements to have overnight lodging for Council members directly billed to NDE.
2. Council members must live beyond 60 miles from a meeting location in order to have lodging provided. Lodging reservations for distances less than 60 miles must be approved by NDE for extraordinary reasons.

 - b. Council members who do not request a reservation before the deadline may be responsible for making their own lodging arrangements, paying for the room, and requesting reimbursement. Reimbursement amounting to more than the direct-bill cost of lodging must be approved by NDE.
3. Failure to cancel a reserved room may result in being excluded in future direct-bill reservations. Council members who repeatedly fail to cancel a reserved room will be responsible for making their own room reservations, paying for that room, and requesting reimbursement for the cost of the room, which is subject to approval by NDE.

K. Meals and Expenses

1. Council members may receive reimbursement for travel expenses to attend Council meetings and perform Council duties. Members will use the Expense Reimbursement Document (ERD) provided by the Council secretary

 2. Council Members appointed to represent parents of children with disabilities also:
 - a. May be provided with an approved stipend if forfeiting wages or if not employed.

 4. Other meeting expenses incurred in furtherance of Council business may be reimbursed if recommended by the Steering Committee and approved in advance by NDE. The following must be submitted for review and consideration by the Steering Committee:
 - a. a written request outlining the activity,
 - b. itemized anticipated expenses; and
